

AFM Online Broker Dashboard

Review account data and success metrics—and access more details with just one click

1 Broker Essentials

View marketing content by industry, whether it's policy forms, brochures or values worksheets.

2 Submissions

Track the status of your new business submissions and view loss history.

3 Map Center

View your clients' locations in an interactive environment in which a variety of natural hazard maps can be overlaid, visually depicting locations that are exposed. Live weather patterns and location-level details help you make sound risk management decisions.

4 Policies

Access and download in-force policies, endorsements and invoices.

5 New Business Submitted (YTD)

Review submission activity and success ratio metrics. Filter by “I’m the Primary Broker” or “I’m on the Broker Account Team.”

6 Renewal Retention (YTD)

Monitor renewal activity on an interactive graph.

7 In the Spotlight

Explore the latest happenings of AFM and AFM Online.
